

HALLOWEEN / GIVING THANKS / HOLIDAY

The season's lineup is here!

From Halloween fun and Giving Thanks to festive holiday celebrations, our Holiday Guide is filled with fresh team experiences designed to bring everyone together. Explore the guide below and start planning your seasonal events — plus get a head start on your 2027 kickoffs and retreats before dates fill up.

Halloween

Pumpkin Painting or Carving

Get creative with a guided pumpkin experience led by an expert! Choose to paint or carve your pumpkin, follow step-by-step guidance, and create your own festive masterpiece.

Pet Care Kits & Puppy Yoga

Host a festive Pet Costume Contest, enjoy Puppy Yoga, and create pet care kits to donate to charity while strengthening team bonds.

Giving Thanks

Gratitude, Goals & Vision

A guided session to reflect on the year and set intentions for the next — meditation, journaling, and a take-home gratitude kit to keep the mindset going.

Golf & Give

Teams design and build their own mini-golf holes out of canned goods — then donate every can to feed families in need. Playful, competitive, and a natural fit for the season of giving.

Pickle and Paddle Donation

High-energy pickleball with pro-led drills, games, and prizes — capped off with a paddle-decorating giveback for charity. Fun for every skill level.

Paint for a Cause

From graffiti art to paint-by-number skateboards and canvases, teams create pieces donated to hospitals, community centers, and more.

Holiday

Chocolate Tasting

A delectable journey through the world of chocolate, from cacao fruit and seeds to indulgent truffles — with team-building games, trivia and prizes along the way.

Sushi Challenge & Matcha Tea Tasting

Teams roll custom sushi and appetizers, compete for prizes, and sip matcha (or sake, for the 21+ crowd) along the way.

Music Madness Holiday Party

Part trivia night, part talent show — festive music games and a lip sync battle bring out everyone's inner rock star.

Holiday Minute to Win It

Teams of 3-5 tackle a mix of challenges — some collaborative (puzzles, games, improv), others head-to-head (fast-paced physical showdowns) — for a round of nonstop cheering.

The Dueling Piano Road Show

Bring the energy of The Shout! House to your event with a customizable, off-site dueling piano show that gets guests singing, laughing, and joining in. A fun addition to a company celebration, conference, or team getaway. (*San Diego, CA only)

Holiday

Holiday Snack Bar

Build a seasonal snack spread from healthy ingredients with a friendly judging round.

Holiday Sips Bar

A guided tasting of seasonal drinks, mixed and poured on site for the team.

Vintage Ornament Bar

Everyone designs a keepsake ornament to take home from a collection of vintage-style blanks.

Holiday Scent Bar

Blend a custom seasonal scent — candles or room spray — from a bar of holiday notes.

Frosted for the Holidays Glitter Bar

Festive glitter styling for hair and face, ready for the party photos.

Holiday Beanie Bar

Customize a winter beanie with patches, embroidery and team touches.

Dear New Year — Poetry for the Year Ahead

A reflective writing session where each person sets down a few lines for the year to come.
